

A Western/Indian Tale That Is A Do Not Miss Read! Styles Is A Writer To Watch For!, February 11, 2006

In the mountains and skies beats a heart of one warrior. A Lakota warrior left to live without his sacred lands and family. This is his story of despair, hope, love, and eventual discovery of the true warrior/man left inside of him.

During the 1880s...

The Lakota warrior, Snake Catcher, is honor bound by a dying request from his brother, Hail Maker to return something to Paradise Valley Ranch. It is through his travels and subsequently meeting Susan Paradise, whose parents have left her the ranch that this story begins to unfold with drama, realisms, and heart-warming romance. Won't you travel through this warrior's story as Snake Catcher tells the history of his people, while falling under the spell of Susan?

Snakes in Paha Sapa is by authoress Cyndie M. Styles. This is a subject near and dear to this reader's heart: the plight of the People. Here is a novel steeped in true-life events with fictional romance blended in making it a wonderful and heartfelt reading experience. Styles truly wields a pen coated in a profusions of great writing and wonderful foresight. This new author's voice is outstanding! This is the type of historical romance that the reading audience in general can enjoy. It is devoid of profane language and sex scenes, while giving the readers background on the lives of the Lakota people.

Susan has an open and unselfish heart, yet she is like a velvet glove concealing an iron fist. Susan treats Snake Catcher with the respect and dignitary befitting any human being, whether they are white, black, or an Indian. Her friendly personality will endear her immediately to the readers. When Susan looks at Snake Catcher she see a man with a big heart, willing to learn and grow, but he is also afraid of the White man, and what they have done to him and his people. Can Susan's gentle soul change Snake Catcher's opinions? Can two diversely different individuals find happiness in the harsh lands of the White man?

Snakes in Paha Sapa is writing from the heart by author Cyndie M. Styles. It is romantic, thought provoking, lovingly detailed, and extremely well written. This reviewer found this novel to be profoundly refreshing and engaging to read! The ending of this story marvelously completes this tale of love between a Lakota warrior and a White woman, and how their lives play out.
